General Information

Senior Citizens are the fastest growing segment of our population and that growth can also mean an increased likelihood of crime.

The Brunswick County Sheriff's Office Senior Citizens Academy will help Brunswick's senior population reduce the possibility of crime and improve quality of life.

From home security to elder abuse, fraud prevention and more, the Senior Citizens Academy will serve as a vehicle for law enforcement professionals to share their experience and knowledge.

The Academy is a 16-hour course that meets for eight weeks, two hours a week. The program will be located throughout the County and will meet at a location nearest you. The goal is to try and meet at locations around the county to so we can be more accessible to you. Locations will be announced.
